[Breezesta patio furniture](#) offers quality workmanship and great attention to detail. It just feels sturdier, looks better, and is more comfortable overall that is because they really did cover details from head to toe. Breezesta's patio furniture collection includes hundreds of pieces and each piece is available in 20 vibrant color choices. There are even multi-color options so that you can customize your patio furniture to your style or setting. Each piece of Breezesta furniture is made from recycled HDPE plastics and keeps milk jugs, which can take up to 400 years to break down, from being thrown into landfills.

With Breezesta patio furniture you will notice a lot more stability than other poly patio furniture on the market. Breezesta has adapted the [Mortise and Tenon](#) Construction. This type of construction is one that wood workers have used for years to build sturdy furniture. That is why Breezesta patio furniture never feels wiggly or feels like you need to tighten it up.

And don't forget the best thing for consumers is the Residential [Lifetime Warranty](#) that Breezesta offers. This patio furniture is made by a company that will stand behind the integrity of their product guaranteeing it from chipping, cracking, splintering, peeling, rotting, and pest infestation. Breezesta will replace or refund the original purchase price of the product should any of these defects occur.

Breezesta really is a leading company when it comes to the poly lumber industry. It is a beautiful product, well crafted, and comfortable. No other manufacturer is going to even come close. So hurry on over to NorthlineExpress.com, home of the "Buy and Try" satisfaction guarantee, to take advantage of the great Breezesta Spring Promotion before May 15th.
