Let's start with a few American made products for the outdoors and work our way indoors...

American made Products for the Outdoors:

Mosquito Dunks

Is your yard full of standing water sources that are contributing to the mosquito population on your property? Buy one of these American made Mosquito Control products and kill mosquito larvae before they have a chance to mature. Add the easy ready to use Mosquito [Bits](#) or [Dunks](#) to water gardens, flower pots, rain barrels, bird baths, tree holes, unused swimming pools, old automobile tires, ponds, etc. to destroy your mosquito population. Larvae will be dead within 24 hours of treatment and you can get back outdoors and begin to enjoy the summer.

WoodEze Expandable Wood Rack

The American made WoodEze Expandable Wood [Rack](#) is proven to be the best firewood rack on the market when it comes to withstanding the rugged elements of the harsh winter season. Wind, hail, rain and snow storms are no match for the heavy-duty, super strong, 16 gauge square tubing. The WoodEze Expandable Wood Rack has earned recognition as a favorite among homeowners and wood burners. This fire wood rack holds approximately 1/2 of a Face Cord of firewood. Add one or more [Expansion](#) Kits (also USA Made) to your rack if you need to store more wood effectively!
