

Are Mosquitoes crashing your party? I'm Melissa from NorthlineExpress and I am here to tell you to forget mosquito repellent sprays and lotions and repel mosquitoes naturally with the AllClear Table Top Mosquito Repeller.

The [Table Top](#) Mosquito Repeller has been tested and proved to be just as effective as chemical competitors and lasted about 50% longer. This table top device allows you to naturally repel mosquitoes for up to 18 hours with is fan-based technology. The fan circulates a blend of non-toxic botanical oils like lemongrass, geranium oil, and peppermint oil that are effective at repelling mosquitoes and safe around children and pets. The Table Top Repeller can be turned on and off and is refillable. You will get 1 refill with your unit and that initial refill will provide you up to 18 hours of protection. The Table top mosquito repeller is perfect for or deck, patio, picnics, camping, boating and more.

With the summer months upon us and the mosquitoes out in full force this little device is one that's worth keeping around. It's also a great choice for your wallet with a low price of only \$9.99. To sweeten the deal right now when you purchase a Table Top Mosquito Repeller we are going to give you a 2 pack of refills absolutely free! There's no reason to be bothered by mosquitoes this season especially with an offer like that. You will only find the free 2 pack of refills with an AllClear Table top mosquito repeller at NorthlineExpress.com, home of the "Buy and Try" Satisfaction Guarantee.
