

Hi I am Melissa from NorthlineExpress here with a friendly reminder that it is that time of year again; time to start thinking about firewood. I'm sure that folks are starting to put in their firewood orders and some of you may have been working hard already this season to get your own firewood. It is definitely time to order firewood and spend a nice summer afternoon stacking it. Here at NorthlineExpress most of us are wood burners and we heat our warehouse with wood, so we know that it is no easy task to stack and store your firewood. With that in mind we've got an offer that might just make prepping for the winter season a little better!!! From August 15th -28th, we are offering instant savings on Hy-C Firewood racks. Simply add one to your cart and you will instantly see the 10% off removed from the price of your rack.

HY-C builds these racks right here in the USA with quality as their top priority. These racks are constructed of 18-gauge, 1 1/4" tubular steel with a durable weatherproof black powder-coated paint finish. That powder coat finish resists chipping and corrosion keeping your rack strong and looking good for many firewood seasons! Either model will keep your valuable firewood about 9 1/2" off the ground which helps keep insects, termites, and rot away! These racks also feature an open-air design provides ventilation for seasoning, or drying, firewood which leads to cleaner, safer, & warmer burning.

So hurry on over to Northlineexpress.com and get your instant savings on Hy-C firewood racks. The instant savings on fire wood racks only lasts through August 28th so mark the calendar and tell your friends! It's another great Promotion from NorthlineExpress home of the buy and try satisfaction guarantee!
